

Cleaner Catalyst Flow as Competitor Pushes Back Alz Psychosis Data to YE:26

In H2:26, we think oral ML-007C-MA (novel M1/M4 muscarinic) has a 30-40% PoS to generate superior Phase II schizophrenia data (pot'l +100% stock move), helping de-risk the second program in Alzheimer's psychosis, which has Phase II data in H2:27 (another pot'l +100% move). Approved in SCZ, BMY's Cobenfy (M1/M4) is delaying its Phase III ADP readout (ADEPT-2) to YE:26 (likely after MPLT's SCZ data), allowing '007 to first prove whether it is superior in SCZ.

Big picture:MPLT has an intriguing Phase II CNS/neuro pipeline, starting with ML-007C-MA (oral M1/M4 agonist) in schizophrenia (**SCZ**) and Alzheimer's disease psychosis (**ADP**), as well as ML-004 (oral 5-HT1B/1D) for autism spectrum disorder (**ASD**). Each program represents a \$1B+ blockbuster opportunity, and all of them will have pbo-controlled, potentially-pivotal Phase II data in 2026-27 (3 shots on goal), including **(1)** '007's SCZ data in H2:26 (**ZEPHYR**), **(2)** '004's ASD data in H2:26 (**IRIS**), and **(3)** '007's ADP data in H2:27 (**VISTA**). \$1B+ peak sales (conservative) x low 2-3x multiple = \$2-3B of value per MPLT program (unadjusted), which could be realized within the next 1-2 years. We know Big Pharma is interested in muscarinics, as evidenced by the \$14B+ deal between BMY/KRTX (Cobenfy) and \$9B for ABBV/CERE (emraclidine).

Although MPLT's risk/reward looks attractive here at \$625Mcap, the Street was previously required to assess pot'l readacross from BMY Cobenfy, whose Phase III ADP data in Q4:25 (ADEPT-2) was occurring before MPLT's own Phase II readouts in 2026-27. The Street has seemed uncertain about BMY's ADP program, thereby creating an unfavorable setup for MPLT. However, with BMY now pushing back the ADP readout to YE:26 (ADEPT-2), the Street can first get a glimpse of '007's pot'l superiority in SCZ (which has readthrough to '007 in ADP as well) - before navigating through BMY's own ADP readouts. **Net-net:** The MPLT stock setup becomes more favorable (and cleaner), as a competitor overhang is somewhat removed.

BMY will now upsize Cobenfy's Phase III ADP study (ADEPT-2), prolonging the readout to YE:26 (vs Q4:25 previously). **(1)** The decision follows a review of clinical trial sites that revealed irregularities in clinical trial execution at a small number of sites. As such, BMY decided to exclude certain patient data and upsize the study after consulting with the DMC and the FDA as well as reviewing patient data (on a blinded basis). **(2)** We wonder if the study could be showing a modest (+) efficacy signal (creating room for MPLT to differentiate on efficacy/safety/convenience), arguably better than expectations. **(3)** As we had anticipated, the risk of data integrity seems driven more by study execution than the underlying MOA (in our view), so BMY's situation could be idiosyncratic (i.e. MPLT is unaffected). **(4)** Still, we are curious how much site overlap MPLT's SCZ/ADP trials have with BMY's ADEPT-2 (latter has 119 sites).

Ultimately, ML-007 could be superior to Cobenfy in terms of efficacy/safety and dosing convenience. **(1)** In SCZ/ADP, cleaner safety/tolerability could entail less vomiting and GI/urinary side effects. In a sense, improved tolerability could result in lower discontinuations and even contribute to stronger efficacy, though MPLT is fundamentally a stronger M1/M4 agonist. **(2)** MPLT is dosing 1x/day in SCZ(vs BMY 2x/day) and 2x/day in ADP (vs BMY 3x/day), **(3)** In ADP, BMY's ADEPT-2 (originally N=400) is randomizing patients 1:1 to drug vs pbo with a 5-week titration phase (20/2mg, 30/3mg, 40/4mg, 50/5mg, 66.7/6.7mg), and the primary endpoint is NPI-C (H+D) at Week 14. MPLT's VISTA study (N=300) utilizes a simple 1-week titration (105/1.5mg BID to 210/3mg BID) with the same primary but at Week 7.

Company Description

Maplight Therapeutics

MPLT is a clinical-stage biopharmaceutical company focused on addressing central nervous system disorders, including schizophrenia, alzheimer's disease psychosis (ADP), autism spectrum disorder (ASD), and Parkinson's disease.

Company Valuation/Risks

Maplight Therapeutics

Valuation is a probability of success (PoS)-weighted SOTP-based DCF analysis of pipeline products. Key risks include regulatory, clinical development, and commercialization.

Bristol-Myers Squibb Co

Valuation: Our DCF-based PT is supported by PE and PEG-relative valuations. Risks: R&D, LOEs, pricing, competition, legal/regulatory, M&A.

Analyst Certification:

I, Andrew Tsai, certify that all of the views expressed in this research report accurately reflect my personal views about the subject security(ies) and subject company(ies). I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed in this research report.

I, Brian Balchin, ACA, certify that all of the views expressed in this research report accurately reflect my personal views about the subject security(ies) and subject company(ies). I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed in this research report.

I, Matthew Barcus, Ph.D., certify that all of the views expressed in this research report accurately reflect my personal views about the subject security(ies) and subject company(ies). I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed in this research report.

I, John Cox, Ph.D., certify that all of the views expressed in this research report accurately reflect my personal views about the subject security(ies) and subject company(ies). I also certify that no part of my compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed in this research report.

As is the case with all Jefferies employees, the analyst(s) responsible for the coverage of the financial instruments discussed in this report receives compensation based in part on the overall performance of the firm, including investment banking income. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Aside from certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst's judgement.

Investment Recommendation Record

(Article 3(1)e and Article 7 of MAR)

Recommendation Published	December 3, 2025 10:34 A.M.
Recommendation Distributed	December 3, 2025 10:34 A.M.

Company Specific Disclosures

Jefferies is acting as Financial Advisor to Landos Biopharma on the proposed acquisition by AbbVie.

Within the past twelve months, Maplight Therapeutics has been a client of Jefferies Financial Group Inc., its affiliates or subsidiaries and investment banking services are being or have been provided.

Jefferies Financial Group Inc., its affiliates or subsidiaries expect to receive or intend to seek compensation for investment banking services from Maplight Therapeutics within the next three months.

Within the past 12 months, Jefferies Financial Group Inc., its affiliates or subsidiaries has received compensation from investment banking services from Maplight Therapeutics.

Jefferies Financial Group Inc., its affiliates or subsidiaries has acted as a manager or co-manager in the underwriting or placement of securities for Maplight Therapeutics or one of its affiliates within the past twelve months.

Within the past 12 months, Jefferies Financial Group Inc., its affiliates or subsidiaries has received compensation from investment banking services from AbbVie.

Explanation of Jefferies Ratings

Buy - Describes securities that we expect to provide a total return (price appreciation plus yield) of 15% or more within a 12-month period.

Hold - Describes securities that we expect to provide a total return (price appreciation plus yield) of plus 15% or minus 10% within a 12-month period.

Underperform - Describes securities that we expect to provide a total return (price appreciation plus yield) of minus 10% or less within a 12-month period.

The expected total return (price appreciation plus yield) for Buy rated securities with an average security price consistently below \$10 is 20% or more within a 12-month period as these companies are typically more volatile than the overall stock market. For Hold rated securities with an average security price consistently below \$10, the expected total return (price appreciation plus yield) is plus or minus 20% within a 12-month period. For Underperform rated securities with an average security price consistently below \$10, the expected total return (price appreciation plus yield) is minus 20% or less within a 12-month period.

NR - The investment rating and price target have been temporarily suspended. Such suspensions are in compliance with applicable regulations and/or Jefferies policies.

CS - Coverage Suspended. Jefferies has suspended coverage of this company.

NC - Not covered. Jefferies does not cover this company.

Restricted - Describes issuers where, in conjunction with Jefferies engagement in certain transactions, company policy or applicable securities regulations prohibit certain types of communications, including investment recommendations.

Monitor - Describes securities whose company fundamentals and financials are being monitored, and for which no financial projections or opinions on the investment merits of the company are provided.

Valuation Methodology

Jefferies' methodology for assigning ratings may include the following: market capitalization, maturity, growth/value, volatility and expected total return over the next 12 months. The price targets are based on several methodologies, which may include, but are not restricted to, analyses of market risk, growth rate, revenue stream, discounted cash flow (DCF), EBITDA, EPS, cash flow (CF), free cash flow (FCF), EV/EBITDA, P/E, PE/growth, P/CF, P/FCF, premium (discount)/average group EV/EBITDA, premium (discount)/average group P/E, sum of the parts, net asset value, dividend returns, and return on equity (ROE) over the next 12 months.

Jefferies Franchise Picks

Jefferies Franchise Picks include stock selections from among the best stock ideas from our equity analysts over a 12 month period. Stock selection is based on fundamental analysis and may take into account other factors such as analyst conviction, differentiated analysis, a favorable risk/reward ratio and investment themes that Jefferies analysts are recommending. Jefferies Franchise Picks will include only Buy rated stocks and the number can vary depending on analyst recommendations for inclusion. Stocks will be added as new opportunities arise and removed when the reason for inclusion changes, the stock has met its desired return, if it is no longer rated Buy and/or if it triggers a stop loss. Stocks having 120 day volatility in the bottom quartile of S&P stocks will continue to have a 15% stop loss, and the remainder will have a 20% stop. Franchise Picks are not intended to represent a recommended portfolio of stocks and is not sector based, but we may note where we believe a Pick falls within an investment style such as growth or value.

Risks which may impede the achievement of our Price Target

This report was prepared for general circulation and does not provide investment recommendations specific to individual investors. As such, the financial instruments discussed in this report may not be suitable for all investors and investors must make their own investment decisions based upon their specific investment objectives and financial situation utilizing their own financial advisors as they deem necessary. Past performance of the financial instruments recommended in this report should not be taken as an indication or guarantee of future results. The price, value of, and income from, any of the financial instruments mentioned in this report can rise as well as fall and may be affected by changes in economic, financial and political factors. If a financial instrument is denominated in a currency other than the investor's home currency, a change in exchange rates may adversely affect the price of, value of, or income derived from the financial instrument described in this report. To the extent prices are shown in non-US currency, please note that our local currency price targets are based on a currency conversion using an exchange rate as of the prior trading day (unless otherwise noted). Should there be fluctuations in the exchange rate after this date, that will affect the non-US target prices and should no longer be relied upon. In addition, investors in securities such as ADRs, whose values are affected by the currency of the underlying security, effectively assume currency risk.

Other Companies Mentioned in This Report

In India, this report is made available by Jefferies India Private Limited. In Australia, this report is issued and/or approved for distribution by, or on behalf of, Jefferies (Australia) Securities Pty Ltd (ACN 610 977 074), which holds an Australian financial services license (AFSL 487263). It is directed solely at wholesale clients within the meaning of the Corporations Act 2001 (Cth) of Australia (the "Corporations Act"), in connection with their consideration of any investment or investment service that is the subject of this report. This report may contain general financial product advice. Where this report refers to a particular financial product, you should obtain a copy of the relevant product disclosure statement or offer document before making any decision in relation to the product. Recipients of this document in any other jurisdictions should inform themselves about and observe any applicable legal requirements in relation to the receipt of this document. This report is not an offer or solicitation of an offer to buy or sell any security or derivative instrument, or to make any investment. Any opinion or estimate constitutes the preparer's best judgment as of the date of preparation, and is subject to change without notice. Jefferies assumes no obligation to maintain or update this report based on subsequent information and events. Jefferies, and their respective officers, directors, and employees, may have long or short positions in, or may buy or sell any of the securities, derivative instruments or other investments mentioned or described herein, either as agent or as principal for their own account. This material is provided solely for informational purposes and is not tailored to any recipient, and is not based on, and does not take into account, the particular investment objectives, portfolio holdings, strategy, financial situation, or needs of any recipient. As such, any advice or recommendation in this report may not be suitable for a particular recipient. Jefferies assumes recipients of this report are capable of evaluating the information contained herein and of exercising independent judgment. A recipient of this report should not make any investment decision without first considering whether any advice or recommendation in this report is suitable for the recipient based on the recipient's particular circumstances and, if appropriate or otherwise needed, seeking professional advice, including tax advice. Jefferies does not perform any suitability or other analysis to check whether an investment decision made by the recipient based on this report is consistent with a recipient's investment objectives, portfolio holdings, strategy, financial situation, or needs.

By providing this report, neither JRS nor any other Jefferies entity accepts any authority, discretion, or control over the management of the recipient's assets. Any action taken by the recipient of this report, based on the information in the report, is at the recipient's sole judgment and risk. The recipient must perform his or her own independent review of any prospective investment. If the recipient uses the services of Jefferies LLC (or other affiliated broker-dealers), in connection with a purchase or sale of a security that is a subject of these materials, such broker-dealer may act as principal for its own accounts or as agent for another person. Only JRS is registered with the SEC as an investment adviser; and therefore neither Jefferies LLC nor any other Jefferies affiliate has any fiduciary duty in connection with distribution of these reports.

The price and value of the investments referred to herein and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

This report may contain forward looking statements that may be affected by inaccurate assumptions or by known or unknown risks, uncertainties, and other important factors. As a result, the actual results, events, performance or achievements of the financial product may be materially different from those expressed or implied in such statements.

This report has been prepared independently of any issuer of securities mentioned herein and not as agent of any issuer of securities. No Equity Research personnel have authority whatsoever to make any representations or warranty on behalf of the issuer(s). Any comments or statements made herein are those of the Jefferies entity producing this report and may differ from the views of other Jefferies entities.

This report may contain information obtained from third parties, including ratings from credit ratings agencies such as Standard & Poor's, and information derived from third-party or proprietary generative artificial intelligence (Gen AI) models. Jefferies does not guarantee the accuracy, completeness, timeliness or availability of this information, and is not responsible for any errors or omissions (negligent or otherwise), regardless of the cause, or for the results obtained from the use of such content. Credit ratings are statements of opinions and are not statements of fact or recommendations to purchase, hold or sell securities. They do not address the suitability of securities or the suitability of securities for investment purposes, and should not be relied on as investment advice. Reproduction and distribution of third party content in any form is prohibited except with the prior written permission of the related third party.

Jefferies research reports are disseminated and available electronically, and, in some cases, also in printed form. Electronic research is simultaneously made available to all clients. This report or any portion hereof may not be copied, reprinted, sold, or redistributed or disclosed by the recipient or any third party, by content scraping or extraction, automated processing, or any other form or means, without the prior written consent of Jefferies. Any unauthorized use is prohibited. Neither Jefferies nor any of its respective directors, officers or employees, is responsible for guaranteeing the financial success of any investment, or accepts any liability whatsoever for any direct, indirect or consequential damages or losses arising from any use of this report or its contents. Nothing herein shall be construed to waive any liability Jefferies has under applicable U.S. federal or state securities laws.
